

## PLUG VALVE

### Plug Valve

Plug valve is one low-torque valve manufactured from high strength alloy steel castings. The plug valve available is from 1" ~3", with the cold working pressure of 42MPa~105Mpa.

End connections of plug valve are either LP female thread or union to suit any installation.

Jereh provides high quality plug valve which can be used to replace FMC plug valve.

Plug Valve

### Technical Specification Of Plug Valve

| Plug Valve Model | Description  | Rated Pressure (MPa) | Bore Size (in) | Remark          |
|------------------|--------------|----------------------|----------------|-----------------|
| JDPV 42-1"x2"    | 1"Plug Valve | 42                   | 1              | 2"LPmale thread |
| JDPV 70-1"x2"    | 1"Plug Valve | 70                   | 1              | 2"LPmale thread |
| JDPV 105-1"x2"   | 1"Plug Valve | 105                  | 1              | 2"union         |
| JDPV 105A-1"x2"  | 1"Plug Valve | 105                  | 1              | 2"LPmale thread |
| JDPV 42-2"x2"    | 2"Plug Valve | 42                   | 2              | 2"LPmale thread |
| JDPV 70-2"x2"    | 2"Plug Valve | 70                   | 2              | 2"LPmale thread |
| JDPV 105-2"x2"   | 2"Plug Valve | 105                  | 2              | 2"union         |
| JDPV 70-3"x3"    | 3"Plug Valve | 70                   | 3              | 3"union         |
| JDPV 105-3"x3"   | 3"Plug Valve | 105                  | 3              | 3"union         |
