

DEADLINE ANCHOR

Deadline Anchor

Deadline anchor is effective component used together with weight indicator to measure the drilling tools weight and drilling pressure. Jereh provides full line of all-weather, quality-built deadline anchors.

Deadline Anchor

Deadline Anchor

Deadline Anchor Features:

- Various models to accommodate common wire line sizes from 5/8 to 1-7/8 inches.
- Single pull capacities from 30,000 to 100,000 pounds to accommodate all your needs.
- Heavy duty for years of trouble free service.

Deadline Anchor Benefits:

- All drum surfaces are machined to extend cable life.
- Anchors are designed and tested for high strength, long life and exceptional accuracy.
- Quality control procedures test each and every anchor to 120% of rated capacity to ensure reliability and safety.
- Quality and service have combined to ensure you don't have to wait months for an anchor.
